High Quality Audio

Socializer Messenger

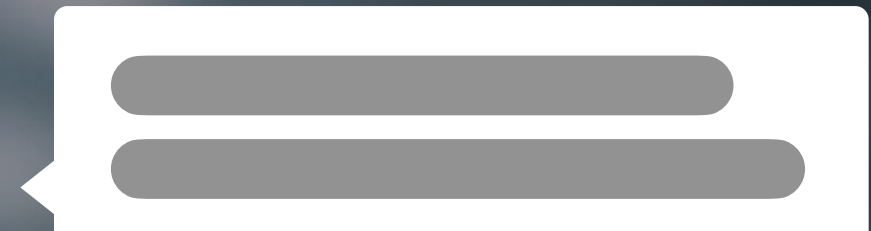

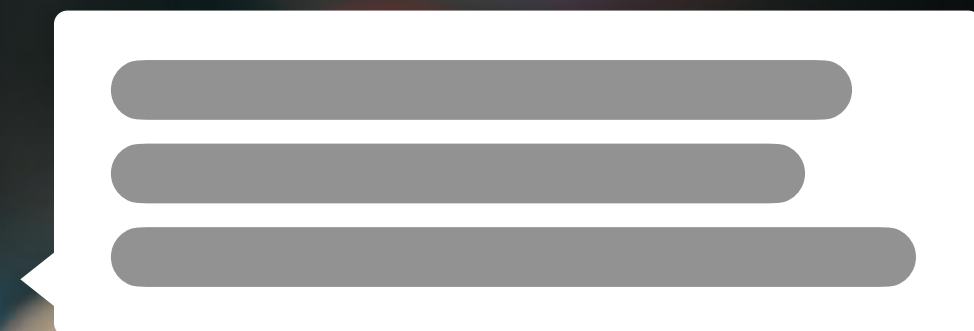

Including all conventional services

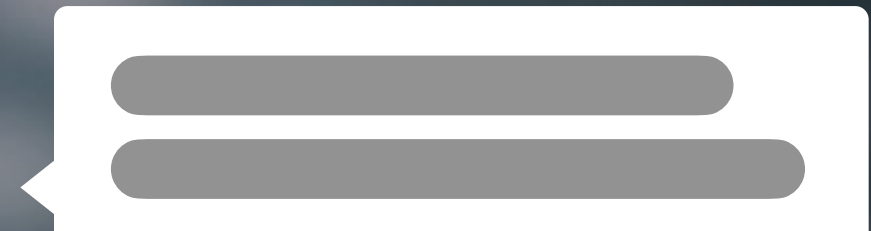

Privacy

You decide what to reveal.

Privacy Feature

Privacy Feature

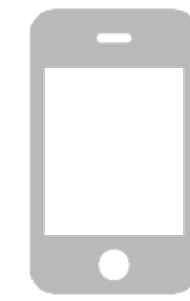

When someone else is detected ...

... the Socializer Messenger will automatically hide content that has been set to private.

Privacy Feature

Your Messages Will Not Fall Into the Wrong Hands.

Your Setup

Setting message
to "Your Eyes Only"

Forced Privacy

Your Messages Will Not Fall Into the Wrong Hands.

Recipient View

Trust that only the desired recipient will see this message

Forced Privacy

Your Messages Will Not Fall Into the Wrong Hands.

Third Party View

As soon phone camera detects an unknown face, message disappears.

Forced Privacy

Set Anything to Private.

Messages

Hide individual text messages as well as conversations

Documents

Hides all document types in chat and archive

Contacts

Hides contacts and keeps them private

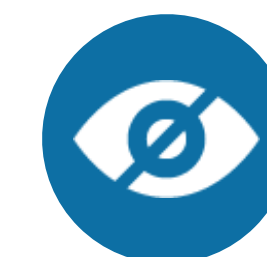

Calls

Calls from private contacts will not be signaled unless you are the only user

Identities

Hides an identity and the entire content associated

Privacy Feature

Communication Using Different Identities

Be yourself. But maybe not always.

Cluster your Recipients ...

People you can trust

People you shouldn't trust

... And Use Different Identities for Communication

Default Identity

Your name and number

Communication with
personal contacts

Anonymous Identity

Fake name and number

Communication with people
you don't want to
reveal your real identity to

Can be completely set to private

**Reveal everything.
Without revealing anything.**

Still safe in unsafe situations.

A Wrong Password Looks Like the Right One.

....123

Confidential Content

....ABC

- Wrong password triggers **NO** error message
- Looks like unlocking the privacy mode ...
- ... but shows only non-confidential content

Fake Unlock

Using Different Password Containers.

....567

Private Content

....444

Top Secret

....898

Not really secret

Works Like a Second Wallet.

Main Wallet
will remains unseen

Second Wallet
just change

“Trust but Verify.”

Ronald Reagan

CONFIDENTIAL

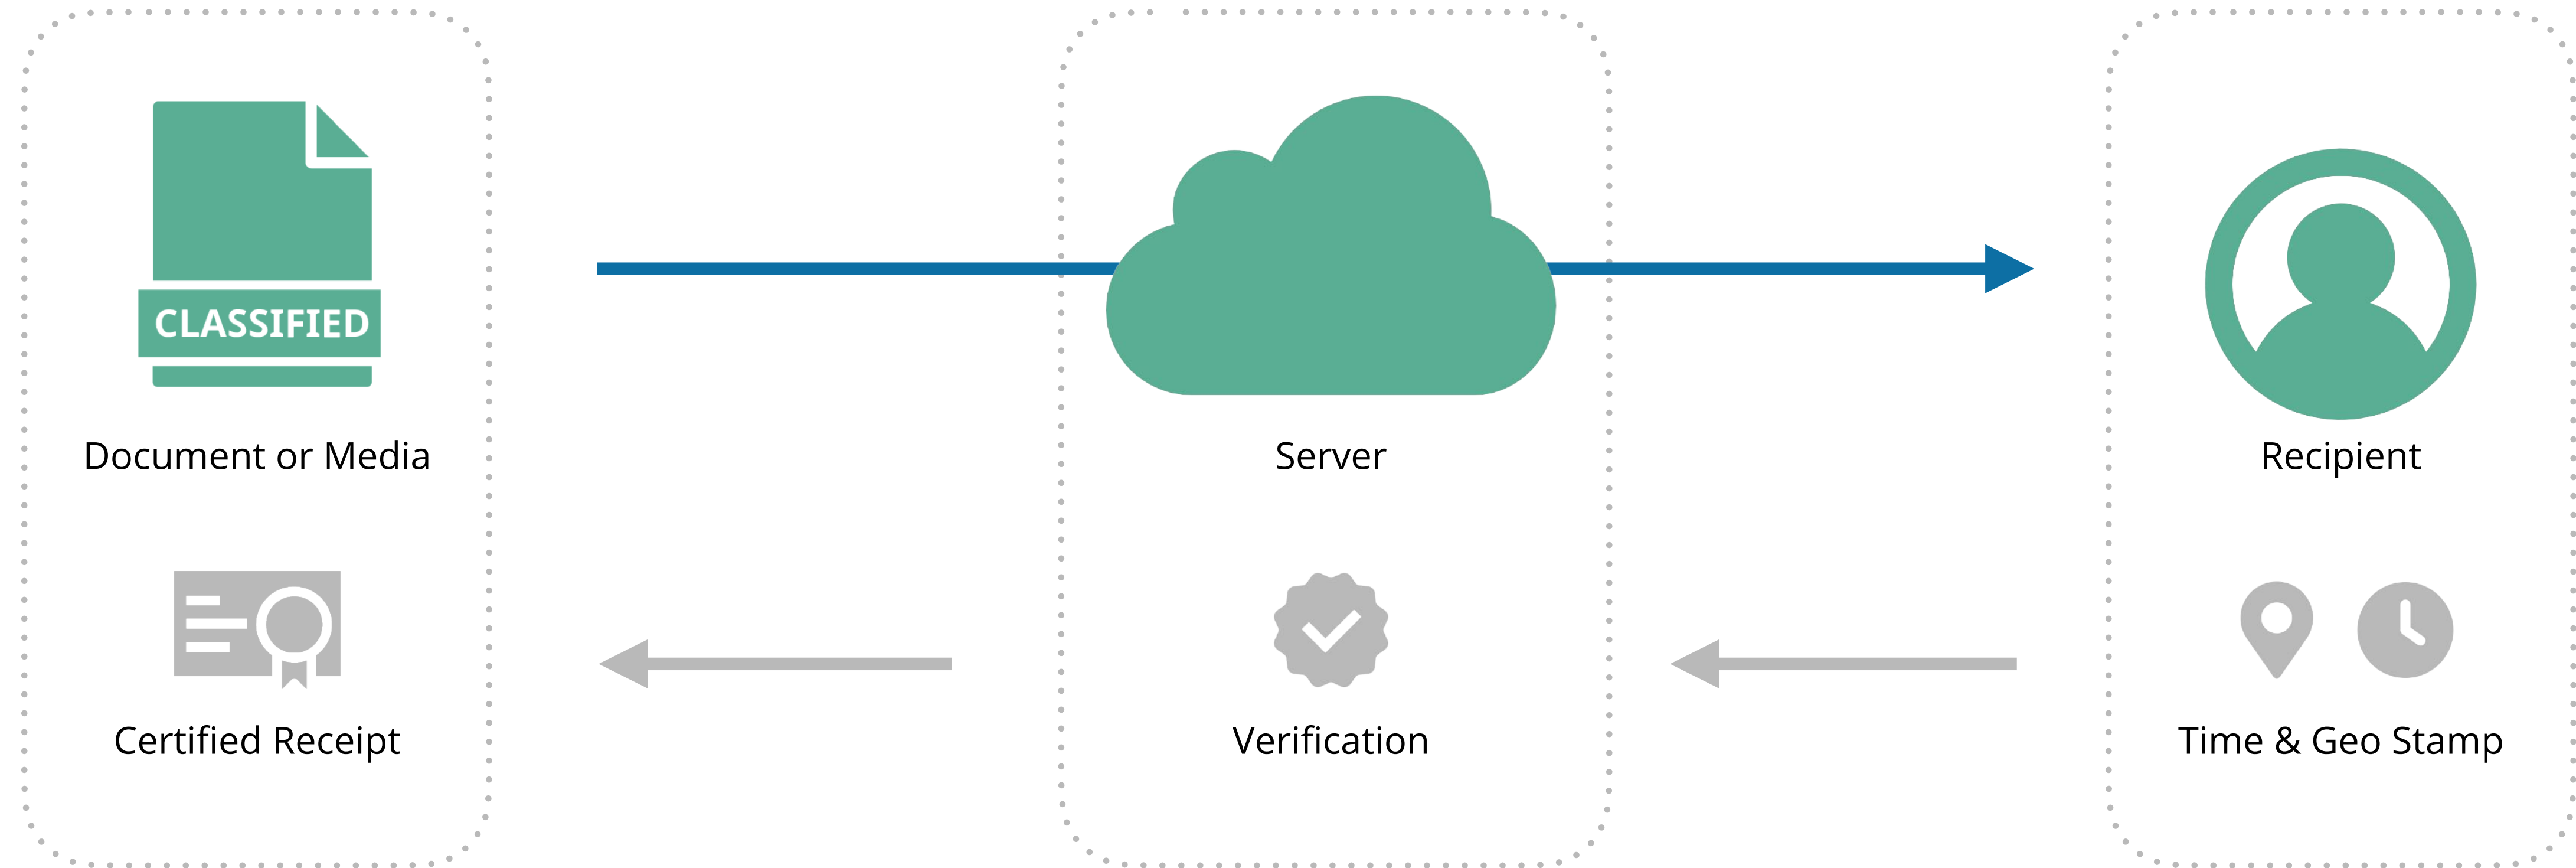

Objective

Donec sollicitudin mi et magna. Proin non est. Vestibulum diam. Quisquam is...

Certified Receipts

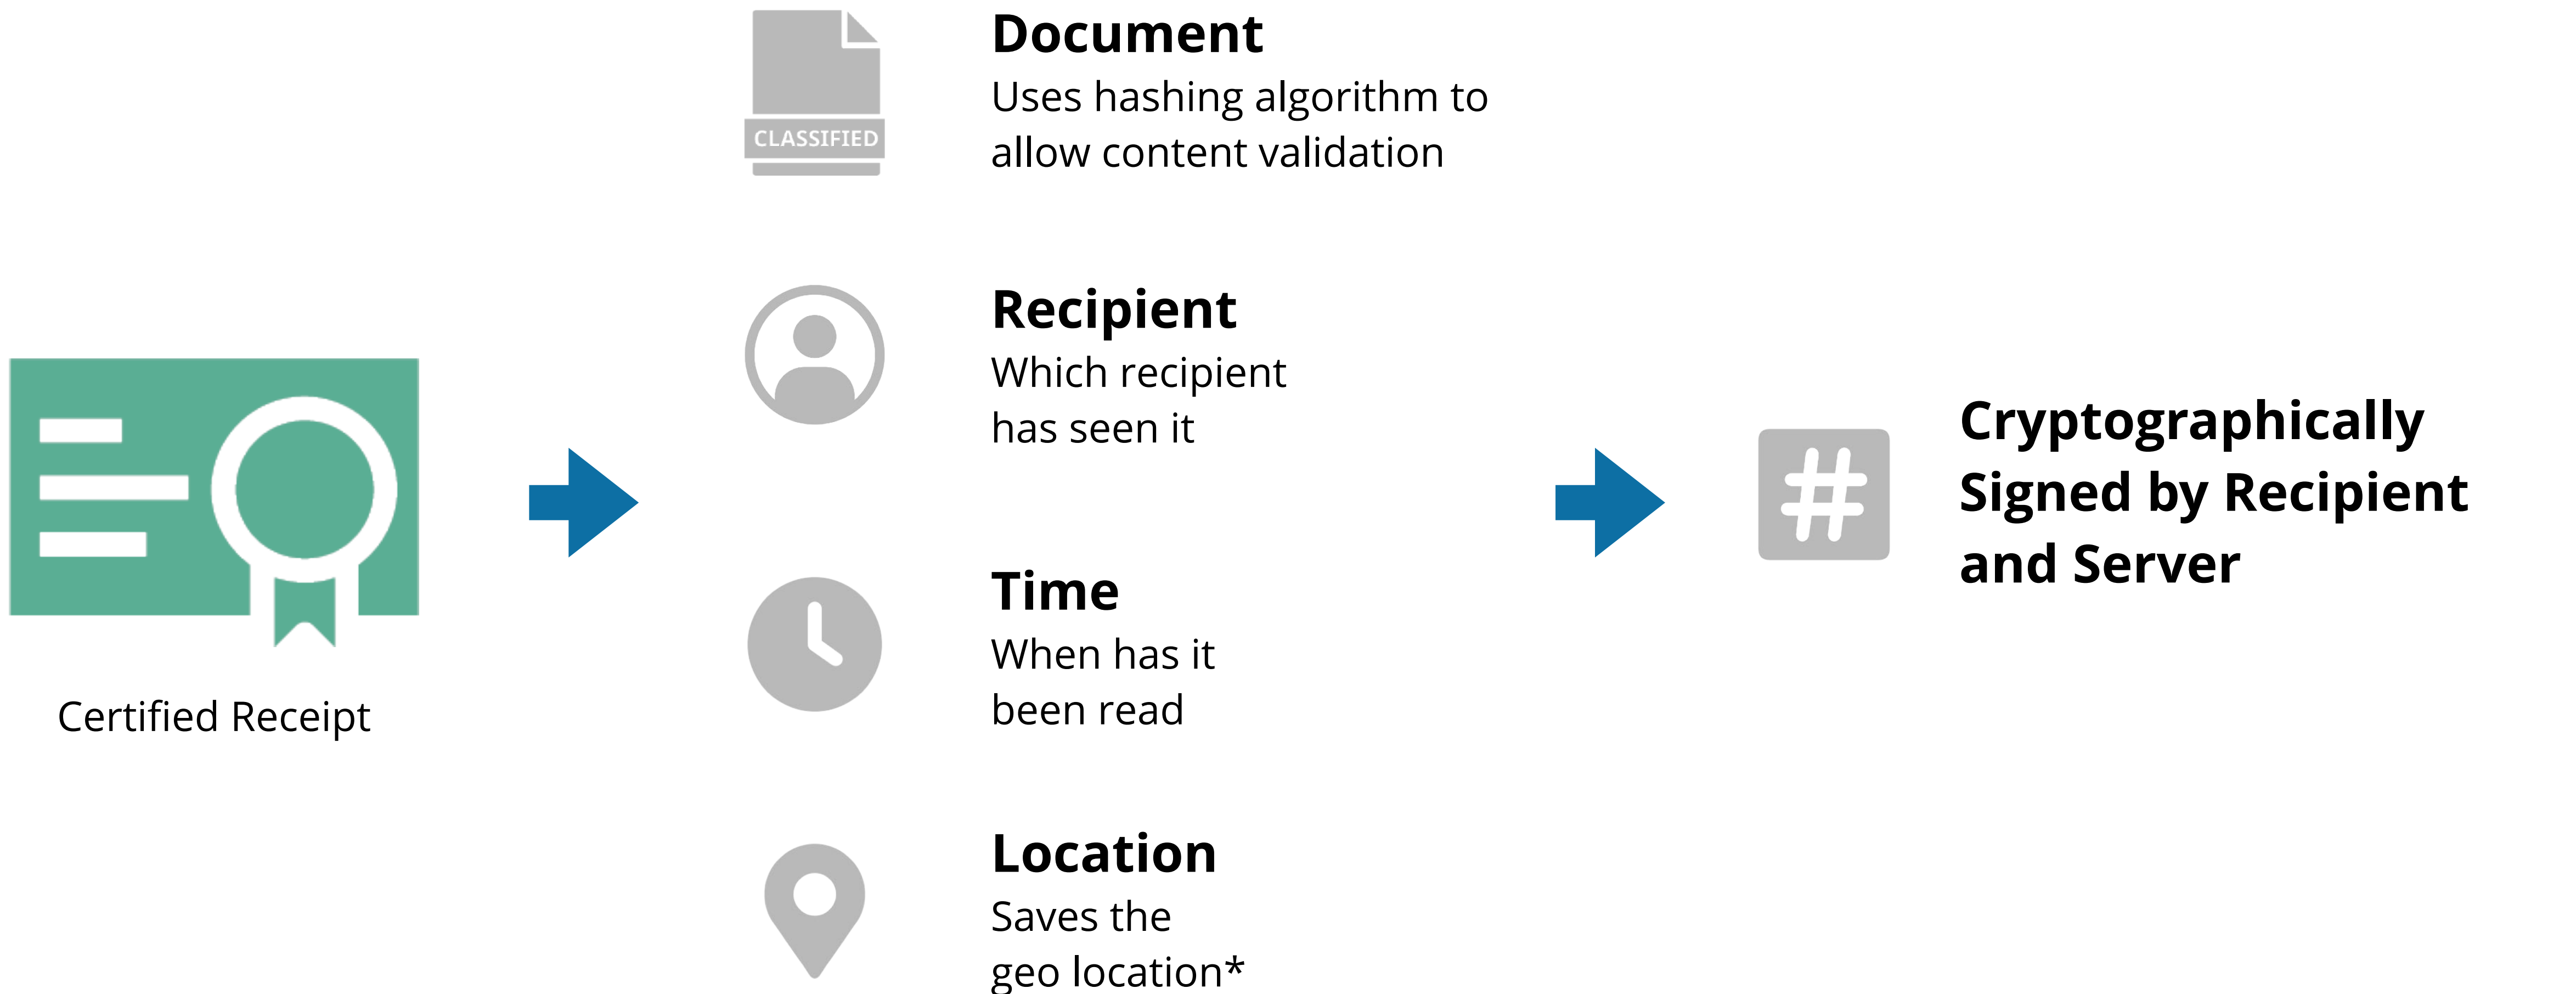

Delivery and Read Confirmation

Make Sure Everybody is on the Same Page.

Certified Receipts

Certified Receipt Confirms That Your Message Was Read.

*If location has been shared with sender

Certified Receipts

Your Data is Safe.
